## How to fish better...

There's no great secret to catching more fish: simply go fishing more often, and go to the better stocked places. The real problem is in getting the *opportunity* . . .

The mere "going" requires time and money —thus one must quite literally *make* his opportunities.

This man is doing it, and so can you.

He is a dentist who completely refurnished his office about six months ago. There have been many advances in recent years that he wanted to take advantage of . . . besides, as he said, his "beginner's" equipment had served its time." As a result, he now performs better dentistry in less time. He handles more patients in each working day and then enjoys more time off. He is more relaxed, more efficient, and a lot happier.

Caulk helped him plan his new office. His regular Caulk representative is of constant help in seeing that everything continues to run smoothly. He has learned from experience that *Caulk service makes the difference* in all kinds of office supplies.

See your Caulk representative regularly for the many services only he can provide.

*More Vitallium Partials Are Prescribed Than Any Other Material*

## WHAT IS THIS REASON?

Is it because the personnel of each of our laboratories has so much more experience? Or is it because we constantly keep abreast of new developments in dental prosthetics and maintain a continuous program of refresher courses for our technicians? Perhaps it is because the alloy we exclusively use in constructing partials is Vitallium®, the alloy that is quality-controlled to meet exacting standards of surgery and implant dentistry as well as oral use.

The reason is all of these things, but mostly it is proven dependability and know-how.

AMERICAN DENTAL ASSOCIATION

99TH ANNUAL SESSION *Dallas, Texas*

NOVEMBER 10-13, 1958

Dallas, industrial center and fashion mecca, is the site for the 99th Annual Session of the American Dental Association. Dallas' newly-completed, multi-million-dollar Memorial Auditorium, air-conditioned throughout, provides an excellent setting for a memorable scientific program.

The dates of November 10 through 13 mean magnificent autumn weather in the Southwest. For those who drive, there are many beautiful motels near and in the city. Motels as well as hotels are listed in the official application forms in *The Journal of the American Dental Association*. Make your reservations now to attend an outstanding meeting. Plan for a few extra days, too, for an outstanding vacation in the colorful Southwest!

## How Committeemen for the Chicago Dental Society Are Selected

From the number of inquiries as to how the committee personnel are chosen it seems that an explanation might be worthwhile. There are some 33 committees with about 335 committeemen. Committees are of the commission form. By that we mean that committee appointments are staggered, one-third of the committee membership is renewed each year which gives greater stability by having at least two-thirds of the committee with one or more years of experience. Therefore, each year one-third of the committeemen are replaced or re-appointed. This gives us a figure of about 112 as the number of committee spots open. Then comes the big job of allocating the appointments to each branch and this is done in the following manner: The membership of each branch as of May first is taken as the base for figuring the allocation of committee appointments on a *pro rata* basis.

Then begins the arduous job of designating the committeemen. Before this is done the committee Chairmen (who were the Vice-chairmen the last year) are checked to make certain they are re-assigned and that the Vice-chairmen who are the appointees of the President-elect are assigned to the proper committee. In most cases the Vice-chairman is chosen from the ranks of the committee but not always. After the Chairmen and Vice-chairmen have been checked they

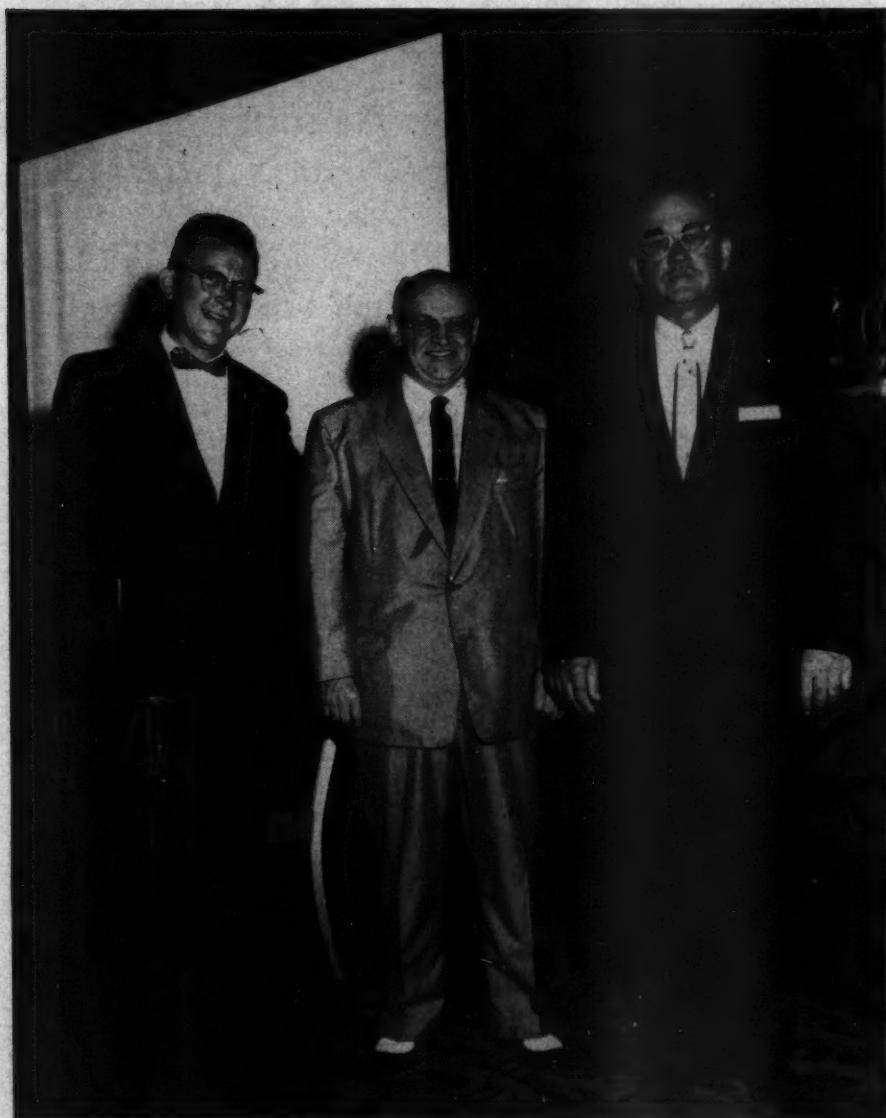

are placed in the proper spots on the committee forms which carry the lists of each committee allocation to the respective branches. The list is given to the Director of each branch and he in turn makes the appointments as designated. This he can do on his own or in consultation with members of his branch. After all appointments have been filled and checked to avoid duplication, the appointed are called by the Director to determine their willingness to serve. Then the lists are sent to the Central Office where a final check is made and the appointments are submitted to the Board of Directors for approval. If approved, the job is done until next year.

If the Chairman of a committee feels that a member of his committee has failed to work or do his job the Chairman may recommend the removal of that non-worker and a new person is appointed to fill out his term.

The General Chairman and the Program Chairman of the Midwinter Meeting are the appointees of the President without further action of the Board. The President-elect has a similar privilege in the appointment of the Vice-chairmen.

May we add this one comment. In the hands of our hardworking committees lies the heart of a successful Midwinter Meeting and our other Society undertakings. They are the quiet, unsung heroes.

## Good Public Relations

As you well know from the several reports which have appeared during the last few months, the Chicago Dental Society has embarked upon an enlarged public relations program under the direction of the Julian J. Jackson Agency. The very excellent program which the Agency has laid out got off to a flying start with a slogan contest. The winning slogan will appear on several billboards which have been made available as a public service by the General Outdoor Advertising Company and to them we express our sincere appreciation for their assistance. The metropolitan and community newspapers have assured us of their cooperation and TV and radio facilities have also been put to good use. To each of these groups we are truly grateful.

However, all this will be of little avail if you and I fail to do our share in creating good individual personal dentist-patient relations. Only our best in personal conduct and consideration and the most competent service, together with a genuine interest in the patient's well-being, will make possible a good public relations program.

If you could spend a few hours for several days in the Central Office and give ear to some of the complaints, you would soon find that our public relations are not above criticism. There is hardly a day passes but that from one to five complaints or grievances are registered. There is no doubt but that some are the gripes of irresponsible persons but certainly in that number there are a high percentage who have a real complaint. Many are due in a large measure to the failure to arrive at a proper understanding of the problems involved and to the fee, a failure to ascertain the patient's ability to pay for the service or a means to make the payments less burdensome by use of an extended payment plan such as the Society's Dental Budget Plan through the First National Bank. "Let the Buyer Beware" has no place in a profession—it is the professional man's responsibility to protect those lacking in comprehension and understanding from becoming involved beyond their means. There is but one rule: "Treat your patients as you would like to be treated."

Another problem which is constantly a source of trouble and which hurts our relations is the inability of patients to obtain emergency relief within a reasonable time. This is especially true of Wednesdays when it is well nigh impossible to find a dentist. If you are one of those seemingly rare individuals who work Wednesdays please so inform the Central Office and your name will be placed on the list of those available. Also make some provision of time for such a purpose. As long as we are making the suggestion; why don't each of us set aside one-half hour in the morning or afternoon just for that purpose? You will be surprised at the results in better public and patient relations. If you can't handle the emergency, why not call a neighbor who may be able to do so and again you will have made a grateful and happy patient. To go one step further, if you are in a community of a dozen or so dentists perhaps you could take turns at spending a Wednesday at the office. It wouldn't be a hardship on anyone.

In the same vein, may the editor again urge that if it be humanly possible you try to take care of that child patient who is so badly in need of attention.

## A WORD OF ADVICE

**S**ome members are either neglectful or are unaware of the responsibilities they have assumed, when they purchase disability and hospital insurance policies.

All Accident, Sickness and Hospital Insurance policies contain provisions which must be complied with. These provisions are mandatory under the State Insurance Laws. They protect the insureds and the companies as well. They specifically point out the rights of both parties to the contract.

Huntington & Homer, Inc., Agents for our disability and hospital plans are sending a notice to each of our insured members, which reads as follows:

### **YOU HAVE TWO OBLIGATIONS — IN EVENT OF CLAIM**

All accidents, sickness and hospital insurance policies contain provisions which place a responsibility upon you.

Your policy states that you must do two things:

1. Give notice to us within 20 days after the occurrence or commencement of any loss covered by the policy. You will then be furnished a proof of loss form.-
2. Return the proof of loss form to us, completed by yourself and the attending physician, within 90 days after the termination of the period for which the Company is liable.

Failure to fulfill both of these obligations is reason to invalidate your claim.

We are trying to assist you, so please let us serve you properly by complying with the above within the time limits specified.

Sincerely,

**HUNTINGTON & HOMER, INC.**

The above obligations are not peculiar to our plans, but apply to other plans and individual policies as well. Actually, some policies call for notice within 10 days, in the event the claim is the result of an injury. It may be advisable to read your policies.

We know or we have to assume that it is the wish of all companies to pay their claims and to make the payments promptly. We also know that they should not be expected to make payment on either an accumulation of claims, those with delayed notice, or those on which bills are presented months or years after the period specified for sending in the bills has elapsed.

If you do not fulfill your two obligations which have been clearly pointed out, you have no one to blame but yourself.

## Chicagoland's Perfect Mouths Selected

Approximately 750,000 people visited the Annual Fair of The Back-Of-The-Yards Neighborhood Council at 47th & Damen Avenue from July 8th through August 4th.

Out of this number, slightly more than 4500 persons received dental inspections in the Educational Exhibit sponsored by the Chicago Dental Society and the Amurol Products Company.

Thirty-four members of the Chicago Dental Society, most of them from the Englewood Branch, conducted the inspections during the Fair's 27 nights.

Out of the 4500 persons inspected, 103 were selected as finalists in the Chicagoland's Perfect Mouth Contest. On the final evening of the Fair, Dr. Robert Pollock, President of the Illinois State Dental Society, Dr. Paul Kanchier, Vice-President of the Chicago Dental Society, Dr. James D. Mershimer, Chairman of the Committee on Dental Health Education, Dr. Michael C. Arra, Director of the Cook County Children's Dental Clinic, Dr. Joseph A. Vocat, Chairman of the Englewood Branch of the Committee on Dental Health Education, and Dr. Bernard Widen, representing the Chicago Dental Society at large, did the final inspecting of these 103 persons and produced 4 perfect mouths—AND WE DO MEAN "PERFECT" MOUTHS. Each mouth had its total complement of teeth for the age group involved, there were no caries, no fillings or restorations of any type, perfect occlusion, perfect alignment, perfect bite, and, in addition, each winner had a winning smile and pleasant personality.

In the "Under 6" age group, the winner was Stanley Machusek, Jr., 923 E. 90th Street, Chicago, who won a Government Bond of \$25.00. The one in the "6 to 12" age group was Thomas P. Mikula, 5213 S. Richmond St., Chicago, who also won a \$25.00 Government Bond. The examining dentists were unable to choose between two finalists for first place in

the adult group, and as a result, the Amurol Products Company agreed to provide duplicate first prizes, each for a week's vacation for two persons at Chip-A-Flo Lodge on Lake Chippewa in Hayward, Wisconsin. The deserving winners of these duplicate first prizes were Mrs. Viola Andree, 23 years of age, of 8227 S. Tennessee Street in suburban Clarendon Hills. The other winner was Mr. Gordon Young, 1118 South Oak Park Avenue, Oak Park, Illinois. Mr. Young informed us that he was born and raised in a nearby suburb community where there is slightly more than one part of fluorine occurring naturally in each million parts of water, and we logically may assume that this had some relationship to his caries-free condition.

May we at this time extend our thanks and deep appreciation to the Amurol Products Company, the Back-Of-The-Yards Neighborhood Council, Livingston & Associates, the public relations firm handling The Fair, and to all of the dentists who participated in making it successful.

The following Chicago Dental Society members handled inspections during the 27 nights of The Fair: Dr. Chester J. Bochenek, Dr. Malcolm P. Brooks, Dr. George J. Casserly, Dr. Linn D. Cooley, Dr. Elmer M. Ebert, Dr. John J. Flannery, Dr. Patrick M. Flannery, Dr. Joseph F. Hajdys, Dr. Louis P. Horevitz, Dr. Ascher L. Jacobs, Dr. Paul Kanchier, Dr. Kenneth H. Kehl, Dr. Maurice H. Korn-goot, Dr. Case Kowal, Dr. Bruno S. Krzeminiski, Dr. Henry J. Mathews, Dr. James D. Mershimer, Dr. Walter B. Osinski, Dr. Edward F. Piech, Dr. S. J. Pacer, Dr. Samuel B. Rabishaw, Dr. Elena Repsys, Dr. Jerome Robbins, Dr. Stephen P. Radochonski, Dr. Chester R. Rywniak, Dr. W. E. Shippee, Dr. Edward J. Spanski, Dr. Robert M. Unger, Dr. Roman A. Urban, Dr. Joseph A. Vocat, Dr. Adam Wcislo, Dr. Lewis L. Weil, Dr. Bernard A. Widen, Dr. Sonia R. Wojniak.

## SLOGAN CONTEST WINNERS

First award in the Chicago Dental Society contest for the best dental health message to be used on billboard space has been won by Dr. H. H. Seifer of the North Side Branch.

An impartial committee of judges, composed of American Dental Association officials and advertising agency executives, selected Dr. Seifer's slogan, "Fight Tooth Decay With A Brush and A Checkup," as having the best dental health message appeal for billboard use.

Second award went to Dr. Daniel D. Klein and third place was won by Dr. F. van Minden.

Through the efforts of our public relations counsel, The Julian J. Jackson Agency, the General Outdoor Advertising Company is contributing space for a message on dental health, as a part of its public service program.

The contest was conducted by the Chicago Dental Society among its members to obtain a suitable billboard slogan.

Dr. Seifer will receive a \$25.00 government bond for his first award and citations will be awarded Drs. Klein and van Minden.

Members will be notified when the billboard is put up and it is hoped that miniature reproductions of the board for use in patients' waiting rooms will be made available at a nominal cost.

## North Suburban

Trying to write a news column in the middle of summer is somewhat of a problem. The monthly meetings are a big source of information for your correspondent and without meetings it is really necessary to scrape the bottom of the barrel. . . . I received a letter the other day from Frank A. Farrell reminding me that Loyola Dental Alumni will hold its Annual Golf Outing Wednesday, September 10th, at Glendale Country Club. This is another event celebrating their Diamond Jubilee. There will be \$750.00 in prizes to be given away to both golfers and non-golfers. A steak dinner will be served starting at 6:30 p.m. Reservations may be made by writing to the Golf Chairman, c/o the Dental School at 1757 West Harrison Street, Chicago, Illinois. . . . We were all very sorry to hear that Prexy George Carey's mother passed away downstate in June. . . . I understand that North Suburban programs for the coming year are being whipped into shape by George Kearns and that he is really doing a fine job. Don't forget that the first meeting for the coming season will be at the Georgian Hotel, Tuesday, October 14th. Mark off the date now and plan to bring your neighboring dentist if he has not been active in the branch. This is the year we are going to try to grow. . . . (Remember?) . . . October the 28th will be the first meeting of the Northwest Dental Study Club. President for the coming year is Frank Powles; Vice-President, Rolley Bateman; Secretary, Bob Donovan; Treasurer, Frank Oset and program chairman, Harrie Hall. Plans presently call for our continuing our meetings at Rolling Green Country Club. If there is any change we will let you know as soon as possible. . . . Vacation time is the only other thing of any news value at present. Louis Smith of Palatine and his family motored around Canada and did some fishing. . . . Bill

Meek and his family are planning a trip East for the middle of August. He's all set with air mattresses for his wagon, so we will have to wait till he gets back to see how it worked. There may be a copy of "Station Wagon Living" for sale cheap.

It is also with deep regret that we learn of the death of John Hauff's father. . . . Charles Molnar was stricken with a coronary attack on July 4th. He is confined to bed at the MacNeal hospital in Berwyn. A letter from Mrs. Molnar states that there will be a possible six-week confinement in the hospital and a longer period of convalescence at home. Charles

would appreciate it if the dentists in his locality would give emergency service to his patients as the need should arise. . . . # BRIDGES

RUBBER BASE IMPRESSION MATERIAL has made it possible for you to have us run your models, construct your abutments and completely finish your gold bridges from one set of impressions. TIME or DISTANCE is no object now. RUBBER BASE impressions can be poured weeks or months later with no dimensional changes.

FORTY PERCENT of our laboratory business consists of small gold castings, such as gold inlays, gold three-quarter crowns, gold crowns, gold thimbles and gold bridges, constructed on hard die stone models made from our customers' RUBBER BASE material impressions. These gold dental restorations make a hit with our customers because of their beautiful anatomical carvings and clean, tight margins. These same bridges make a hit with our customers' many patients because they only require two appointments.

First appointment: preparation and impressions.

Second appointment: cementation of inlays and bridge.

OUR IMPRESSION REQUIREMENTS ARE: .....

- (A) ONE TRAY IMPRESSION in RUBBER BASE MATERIAL of the prepared tooth or teeth, including three or four teeth on either side. Rubber material in this impression should go high under lip and high on lingual.
- (B) TRAY IMPRESSION of the opposing teeth or a hard stone model.
- (C) SHALLOW WAFER WAX BITE. One flat piece of red wax. A wax like ours that will not fracture in transit.
- (D) SHADE SAMPLE. In porcelain or acrylic.

dental societies will send representatives and also that each of the state Dental Examining Boards will have a representative on hand. The Council believes that it is of utmost importance that each interested society see to it that a representative be present so as to be informed. Choose your representative right now!

The Council is pleased to announce that a representative of the Council of State Governments, Dr. William L. Frederick, will discuss the history and philosophy of occupational licensing legislation in the United States on the panel presentation which is scheduled for the afternoon of September 29. Dr. Frederick is the co-author of the report on "Occupational Licensing Legislation in the States" published by the Council of State Governments.

### A.D.A. RECOMMENDS CONTROL OF TOOTHPASTE ADVERTISING

Representatives of the American Dental Association appeared before the House of Representatives Sub-Committee on Legal and Monetary Affairs to urge Congress to control misleading and reckless claims made by toothpaste manufacturers in their advertising. To date there has been no valid proof for these claims.

### LOYOLA DENTAL ALUMNI TO HOLD DIAMOND JUBILEE GOLF OUTING AND DINNER

The Alumni Association of Loyola University School of Dentistry, Chicago College of Dental Surgery, will hold its annual Golf Outing and Dinner at Glendale Country Club, Wednesday, September 10, 1958.

"This is the 75th Anniversary Year of our grand school and we are making every effort to see that this is the best golf outing and dinner ever held anywhere," said Alumni Association President, Gerson M. Gould.

\$750.00 in golf and door prizes will be given away, and a delicious steak dinner will be served, as you like it.

Be sure to mark your calendar now! Call your friends and join the crowd on Wednesday, September 10, 1958 at Glendale Country Club.

#### DENTAL RESEARCH MAY BE THE DOOR TO DENTISTRY'S GOLDEN AGE

In an address before the American Association for Dental Schools in Detroit Dr. Roy O. Greep, Dean of Harvard School of Dental Medicine, pointed out that increased emphasis on basic dental research may bring dentistry to the threshold of a Golden Age.

He stressed dentistry's responsibility, as a health profession, to advance knowledge in its own field and to contribute to the world's body of scientific fact. He thought it a mistake for dental research to be limited to the oral cavity thereby limiting dentistry's horizons; we should extend our investigations into all phases of basic science—in this way increasing dentistry's prestige. He complimented the United States Public Health Service for its farsightedness in providing teaching grants amounting to \$500,000 distributed among 15 graduate research centers.

This enlarged research program would need more than the personnel now with the teaching staffs of the dental schools. Dr. Greep suggests that such additions might come in the following ways:

1. Presenting a curriculum strong in intellectual content and conducive to creative scholarship.
2. Strengthening faculties with men experienced in research and imbued with the scientific method.
3. Increasing the opportunity for guided student research.

Dr. Greep concluded, "To sustain the progress in research and education already achieved and to improve on these beginnings will require an enlightened philosophy in dentistry. Above all, it will require vigorous and imaginative leadership."

## EDITORIAL

(Continued from page 9)

Perhaps you feel that they are too "tough" to handle but just try a few, don't be afraid of them, treat them like the really important people they are—you'll discover that if dealt with properly they can put the average adult to shame when it comes to conduct in the dental chair. These youngsters with their enthusiasm and their fresh and inquisitive minds can bring to the day just the lift it needs.

If you are asked to speak before a group, to do an inspection, to approach your community newspaper, to help plan a community or school health program, say "Yes" and you will again be surprised at how good you feel down deep inside. These are but a few of the things you and I can do to improve the profession's public relations.

Only when you and I as individuals do an effective job in our personal dentist-patient relations can we hope to do a worthwhile job on a society level.

Ben Hogan may be in for some serious competition from Gene. . . . Hawaii still enchants the Herman Roes. . . . Emil Kern is performing extracurricular dentistry at the Joseph Kennedy school for retarded children. Bob Unger of Englewood and Emil are to be commended for their unselfish devotion to a worthy cause. . . . Quentin Mangion assumed occupancy of his new dental building which was completed in early July. This building is located in Glen Ellyn. At present Quentin is still devoting some of his time in the Oak Park office. . . . The John O'Connells and the Budills were dinner guests of the Charles Madisons. The dinner was given at the Brookwood country club.—Edward J. Budill, Branch Correspondent.

## Kenwood-Hyde Park

In the course of digging for news of Kenwood-Hyde Park, I learned about one of our members who will do considerable digging this summer. Stan Korf will accompany a field expedition to Arizona where archeological studies will be made of ancient Indian civilization. This is a project of the Field Museum of Chicago. . . . While in a pedodontic frame of mind I might mention that

Jesse Carlton recently spent a week at the University of Indiana Dental School, prosthetic department, exchanging ideas with the departmental staff. . . . Dave Handler recently returned from Scarsdale, New York where he visited with his daughter and her family. When queried as to what he did, Dave replied, "I loafed and sat on my veranda for two weeks." Those of us who know Dave will agree that he certainly has a big "veranda." . . . Howard Harvey and Willard Johnson have taken the denture course of the Denture Research Group. Howard will finish off his summer time vacation just a-sittin' and loafin'. . . .

Jack Sarnat informs me that he and Carl Greenwald attended a meeting of the Progressive Group at the Kanchier home in New Buffalo, Michigan. Jack thinks he had a good time from his rather hazy recollection of the event. . . . All would-be Cary Middlecoffs may be interested to know that the Loyola Dental Alumni will hold its Annual Golf Outing, Wednesday, September 10, at Glendale Country Club. This is another event celebrating its Diamond Jubilee. There will be \$750.00 in prizes, to be given away to both golfers and non-golfers. A steak dinner will be served at 6:30 p.m. Reservations can be made by writing to the Golf Chairman, c/o The Dental School, 1757 West Harrison Street, Chicago, Illinois. . . . Mark and Mrs. Reardon

attitudes regarding the ability of machines to take over the intricate procedures involved in cavity preparation. Engineers who developed these machines say it can be done. . . . Several North Side men have been busy increasing the population. The Bill Semiloffs recently had a baby girl, Melinda. Bill now has 4 charming daughters. How about a boy, now, Bill? The Shelly Rosensteins now have a bouncing baby boy, Donald. Donald weighed 9½ pounds on arrival. This kid starts right out being a "chip off the old block." And now, hold your breath, Al Mark who has 3 boys is trying for a girl. Played golf with Al last week. What a driver! Ask Al to tell you his joke. Better get your golf in before the baby arrives, Al. . . . Paul Brown received a card from the Earl Elmans who are vacationing in Mexico. Too bad Earl doesn't speak Mexican or he'd tell them a thing or two. . . . Harold Rabin is taking a much needed vacation. After all how long can a guy keep one tooth in the air at all times without getting tired. . . . Oh yes, Harold Rabin has been ap-

pointed Chairman of Northside's Clinic Day. With him at the helm it's bound to be a huge success. . . . Jules Barrash and family are vacationing in Colorado and Yellowstone National Park. . . . Marty and Mrs. Unterman recently toured all over the West in their snazzy white MG sports car. Sounds like fun, Marty. . . . Francis Joseph and family visited Florida and Nassau this summer. I hear George Haberline and Joe Laskowski persuaded their wives to go up into Canada so they could fish for some big ones. . . . If you missed Henry Parkin's recent lecture series at the Uptown Forum on practice management and recent fee survey you should feel sorry because he presented some valuable information and data. Henry should be congratulated for this fine work. We thank you, Henry. Incidentally, if you missed Henry at the Forum, I understand he will present his "Spiel" at the Midwinter Meeting. . . . That fellow, Joe Gordon, is phenomenal for his ability to wangle money out of the Uptown Forum's treasury. First he received money for Channel 11 and now for badge name-plates that all of the members will don during their regular luncheon meeting every Friday. . . . News Flash!—Stanley Buckner has been named President of the Chicago Academy of Psychosomatic Dentistry. They couldn't pick a better man. I also heard that Stan, who has for years been an avid collector of old and valuable manuscripts, has decided to sell part of his collection for a tidy little sum. . . . Maurie Fein recently flew *Air France* to visit Europe and Israel. He will be gone about 6 weeks. Here's a bachelor that knows how to live. Our other handsome bachelor, Herb Blum, is vacationing at a mountain resort in New Hampshire. Jack Langer is visiting out in San Diego, California. . . . Sorry to hear about Irv Rothenberg and Bernie Sudakoff being ill. Get well quick, boys. We miss you! . . . Howie Adelman took the National Oral Surgery Boards the end of July. I am sure you passed them, Howie, and am taking the liberty of congratulating you. . . . Just talked to Bill Osmanski, who is writing an ar-

ticle for the professional news organ of professional football. He compares the *All-Stars* football teams of 20 years ago, when he was captain, with the teams of today. Bill says the present teams are bigger and faster. He also appraised this year's team as being better than last year's. . . . Cliff Alsin is going on a fishing trip, in Minnesota in August. . . . Loyola Dental Alumni will hold its annual golf outing on Wednesday, September 10, at Glendale Country Club. This is another event celebrating its Diamond Jubilee. There will be \$750.00 in prizes to be given away to both golfers and non-golfers. A steak dinner will be served starting at 6:30 p.m. Reservations may be made by writing to the Golf Chairman, c/o The Dental School, at 1757 W. Harrison St., Chicago, Illinois.

. . . Aubrey Lauterstein and family are leaving for Aspen, Colorado for a much needed rest. Aubrey is clinic chairman for North Side's All Day Clinic. . . . I understand from Frank Hanagan, our hard working President, that there will be two or three Workshop programs. Also our first meeting will be held at the Edgewater Beach Hotel, Tuesday, October 14. . . . That's all boys! Your next scribe will be Stan Goldberg—send him your news.—*Warren E. Gerber, Assistant Branch Correspondent.*

## Englewood

"What is so rare as a day in June," that's what the man said. Now if he had said, "What is so rare as a warm, sunny day

in July," he would have been a likely candidate for the Weather Bureau. However, in spite of the intemperate weather, many of our Englewood members have been enjoying vacations, and the rest of us can hardly wait to leave. We hear that our local William Tell, Marion Hopkins, traveled to Grayling, Michigan, to participate in an archery meet. . . . John Meekma spent two weeks fishing in Minnesota. . . . Walter Michel is spending his two weeks at Charlevoix. . . . Dan Duffy went up to Wisconsin to try for muskies. They may look rather small alongside his wife's sailfish, but they must be a lot cheaper to have mounted. . . . Grant Spooner leaves for the cottage near Ludington as soon as brother Bruce returns. . . . That faithful correspondent, Mal Brooks, reports that "home is the sailor from the sea" and Ralph Rudder's mahogany hue is the result of digging around on his Spring Lake estate. . . . One of Jim Nowlan's lifelong ambitions was realized when he crewed on Dr. Keehan's forty-two foot yawl in the Chicago-Mackinac race. Jim was one of nine crew members on the Dutch-built steel yacht. . . . Gus Solfron has been busy entertaining his daughter and family from the East on their annual visit to the old homestead. Gus has been accompanied by two dogs, instead of the usual one, on his morning constitutional. . . . Clarence Hansen has forsaken his boat for a dry-land trip to Florida, accompanied by Eddie Wach. . . . Don Kellogg spent two weeks up around White Lake. . . . Jim Green spent some time up in the

## West Side

It seems as if August doldrums are turning up a lot of news items on vacationers—here we go. . . . Bob Tuck is comfortably situated among the tall pines and clear lakes of Canada, along with his uncle, Frank Conklin, whom some of you remember as a charter member of the West Side Branch. Frank retired some years ago and now, enviably enough, spends his winters in Florida and his summers on the shores of Lake Beverly in Canada. . . . Across the bay from Frank, Earl Boulger is entrenched in his summer home until Labor Day, fishing away to his lazy heart's content. . . . Oscar V. Anderson, an oldtime former member of the West Side Branch, now practicing in Kent, Washington, dropped in for a visit with his old friends at 4010

West Madison. Last summer Andy underwent extensive surgery, but now looks the picture of good health. . . . George Walls is spending his vacation on the rolling greens and tough roughs of Medinah Country Club, and par is becoming more elusive all the time. Don't give up, George. . . . Max Lieberman is contemplating a three-week trip to Florida with his wife and two sons. . . . Max has expressed a definite interest in forming an informal study group this fall. This group could meet once a month to discuss problems and techniques. My office is available, so let me know those of you who are interested. . . . Al Sells stopped at a restaurant in a small town in New York and of all people ran into James Dillon, a fellow West Sider! Small world. . . . Loyola Dental Alumni will hold its annual golf outing on Wednesday, September 10, at Glendale Country Club. This is another event celebrating its Diamond Jubilee. Personality Highlight shines on Richard Leavitt, who's been practicing for forty-four years! Richard has three lovely grandchildren on whom he lavishes great affection. He loves to putter around with photography and at the moment is reading all he can on hypnosis. His office is one of the most luxurious on the West Side, and we're happy to have him as a neighbor. . . . My thanks go to Adolph Stark and Chick Vission for their news items. Keep 'em coming.—*Samuel Silver, Branch Correspondent.*
